About the Event

Each Great Adventures event will have a theme - this could be pirates, space, under the sea etc. You can find out what the theme of the event will be on the Hull Truck Theatre website.

You are more than welcome to dress up to match the theme, if you'd like!

The event is aimed at 3 - 6 year olds but anyone is welcome to enjoy Great Adventures.

What to Expect

Great Adventures starts with a 45 minute arts and craft session on the First Floor of the Theatre.

The arts and crafts will match the theme of the show.

After the arts and crafts session you will be asked to go to the Godber Studio.

On the floor there will be a black carpet for the children to sit on and chairs behind, for the adults. If you would prefer to sit together then adults can join children on the carpet, or vice versa.

Please just be mindful of those around you so as not to block the view of other, smaller children.

The children and adults will sit around a coloured carpet which is usually red or blue. This carpet is the performance area and is just for the actors. The audience should not go in to this space unless invited by an actor.

There are usually one or two actors in the show.

The show will last approximately 30 minutes.

The actors may ask the audience to join in, make noise or use the arts and crafts they have made. They will let you know when they want you to do this.

There is a laid-back attitude to noise and movement (voluntary and involuntary) during the show so if you need to get up, move around a little or leave the space, you can do.

Sensory Items

We have a small number of ear defenders available to loan (suitable for baby, toddler and adult) which can be useful for patrons with auditory sensitivities.

We also have a small number of wobble cushions and weighted lap blankets available for loan, along with a range of sensory toys.

Please feel free to bring with you any items that usually assist in coping with busy or noisy environments.

We hope that you enjoy your visit to Hull Truck Theatre.
